# Faith Inclusion Network's Community for ALL Virtual Conference 2023

**Ideas for your COMMUNITY HOST GROUP for
FIN's Virtual C4A Conference
February 22 - March 31, 2023**

The **Community Host Group Ticket** for our virtual conference is designed to bring people together in your own community who want to learn more about how to be inclusive of people with disabilities in our faith communities. Topics range from ministry safety to a theology of pastoral health. The four live Zoom events and over 30 on-demand viewing presentations provide the opportunity to hear and talk with national faith and disability advocates and the flexibility to schedule to watch and discuss the topics of their choice.

1. Register your group at https://faithinclusionnetwork-bloom.kindful.com/e/2023-c4a-conference. You want the *Community Host Group Access Pass*.
2. Invite up to 20 of your congregation members, ministry members or anyone in your networking community to participate. (extra conference passes can be purchased for $10/each)
3. Pull your community together to connect with the National Community on March 10, 2023 and participate in the live Q&A with the presenters.
4. Choose any of the 30+ presentations to watch together or independently and discuss as a group. Brainstorm how you can help the community on that topic.
5. Assign members of your community to watch specific presentations. Meet to discuss the highlights and consider which topics to explore deeper within the next year.
6. Bring ministry staff together to view and discuss topics they can use - or equip parents with information just for them.

*Let us know how your group is connecting and using the information this conference provides.
Send your feedback to Michelle at mmunger@faithinclusionnetwork.org*
